We are planning to have a challenging and safe match but to be successful we will need your help. We are expecting to have a full course of shooters and here are a few things we would like to remind you of to help make this match go smoothly.

- Be safe, keep your gun pointed down range and away from other at all times. Be careful when handling your rifle so that you don't point it at others.
- Please be ready to shoot when it is your turn.
- When it is your turn to shoot, please keep your conversation to a minimum.
- To help complete the match in a timely manner, a time limit will be used on all lanes. The time limit will begin at the time the shooter takes position on the lane.
- Target malfunctions will be handled according to the guidelines detailed in the AAFTA Handbook.
- All ties will be broken with a shoot off.

**Thanks for your cooperation and we will see you in June.**
